

SKATE SAILING ASSOCIATION OF AUSTRALIA

57th National Championship Port Dalrymple, Tasmania December 2013 – January 2014

David Luck and Anthony Sinton of St George Sailing Club, NSW, teamed up to win another Skate National Championship together.

The win was the ninth for Dave - setting a record for the most Skate National Championships won by an individual, and the second for Anthony - his previous win was also with Dave in 1996-97 at the 40th Nationals at Teralba.

The series was hosted by Port Dalrymple Sailing Club on the Tamar Rive in Northern Tasmania and sailed in challenging conditions with strong winds which caused racing to be cancelled on two days.

Runners up were John Grant and Glenn Crichton from St George Sailing Club, NSW (957 - Woodland Metal Spinning) with Ken Davies and Lachlan Schroder from Toronto Amateur Sailing Club, Newcastle NSW taking out third (969 - Natural Juices II).
