State Championship															
Low Points System															
RRS A5.3 Applies															
- Score for DNS, DNF, RET, DSQ = Number of competitors + 1															
- Score for DNC = number of registered boats as at 31 October + 1															
7 Competitors															
Low Points System as for State Championship															
Handicap Adjustment															
First - Subtract 5%															
Second - Subtract 2%															
Third - Subtract 1%															
Handicap Calculation															
Handicaps are calculated from true handicap result from the first 2 races finished for the season.															
The result is applied to the first race sailed and handicaps are then adjusted according to the formula above.
