COMMODORES WELCOME

On behalf of the Committee and Members of EFYC, I would like to welcome those who have travelled from far and wide to participate in the 33rd National Championships at our club. Western Australia is known for its friendly hospitality to all visitors to our state and we at EFYC extend the invitation to you and your families to avail yourselves to the facilities of our club.

As you will see throughout this program, a comprehensive social calendar has been planned to make your short stay a memorable one. Many thanks must go to the team on the planning committee who have worked hard in putting together this sailing regatta. Without their dedication this national event would not have eventuated.

I wish each and every competitor the best of luck for the Titles and if there is anything that the committee or myself can do, please do not hesitate to ask.

Good Sailing and best wishes

Eddie Coles
